About Us:

The Kotak IIT M Save Energy Mission (KISEM) is a CSR initiative project of the Industrial Energy Assessment Cell (IEAC) at IIT Madras, where the primary activity is to conduct energy audits/assessment studies of various capacities for the typical process industries, commercial buildings & any type of bulk energy consumers across India in order to intervene the potential areas for saving energy and suggesting with suitable energy conservation measures. This cell will soon evolve into a one stop solution for the industries and other relevant entities to evaluate and report their energy, emissions & environmental data to meet their various compliance and sustainable capacity building in the respective area.

As we continue to expand our impact, we are seeking a talented and self-driven resource to join our team.

Position Overview:

As a Project Associate, you will be responsible in coordinating and documenting the project deliverables and finances with seven KISEM centres spread across the country. You will be closely associated with the Senior Manager of the cell in coordinating various activities related to the overall operations, data handling and compilation, basic data analysis, crafting narrative reports, developing content for technical presentations, official social media handles and relevant newsletters. This is a unique opportunity to get associated with IIT Madras to contribute and build your career as a full-time researcher in the field of industrial sustainability and de-carbonization initiatives.

Key Responsibilities:

- Coordinating with the team members of seven KISEM centres to gather data, reports, updates and maintain proper database of their finance & audit deliverables.
- Working along with the team in drafting case studies based on audit recommendations and implementations.
- Drafting out project presentations and detailed narrative reports
- Crafting content for Pitch Deck Presentations, Brochures, LinkedIn Posts and Newsletters
- Scheduling and coordinating various internal meetings such as faculty committee meetings, energy assessors' meetings & internal team review meetings.
- Planning and supporting in the execution of preparatory tasks for big gatherings such as workshop and conference.
- Data compilation and basic level data analysis from the energy audit activity and its deliverables for high level interventional studies

The last date for submission of online application is 17.05.2024.
